

## 100% FREE REPLACEMENT WARRANTY

American Pacific Industries, Inc (API) hereby warrants every new Argus Advanta Commercial Truck Radial tire as distributed through USAutoforce and its subsidiaries to be free from workmanship and material related conditions that would cause the tire to become unserviceable for the life of the original tread of a new tire less 2/32". The life of the original usable tread ends when the tire tread has worn down to 2/32" remaining, as measured in the fastest wearing groove, at which point the tire is considered to be fully worn out. API will refund the cost of a replacement Argus Advanta Commercial Truck Radial tire excluding FET. The Exclusions listed below void this 100% Free Replacement Warranty.
